

ARE YOU A PEOPLE PERSON AND
PROBLEM SOLVER? IF SO, THEN

Will you be our new Allround International Coordinator?

We are looking for new colleagues to join our company due to extensive growth, if you are interested in an informal international work environment and be part of a growing company, we might be looking for you!

WHO ARE WE?

MF Interlogistics is an international moving provider based in Denmark. We serve our clients with their relocation needs globally.

We are the proud sister company of the well known national moving company Mesterflyt.

Our journey began back in 2019, where we believed that the international relocation market needed a player purely focused on delivering high quality international moving solutions.

We are based just 45 minutes from the center of Copenhagen in the greater suburb Holbæk, from where we share a new modern office facility together with Mesterflyt

WHO ARE YOU?

Preferably you have a background in freight forwarding, shipping or logistics, and experience from working within international shipping, whether this is as a forwarder, shipping coordinator or even better experience from an international removals company!

You will not only be coordinating the move of household goods across borders for our clients but also, and not limited to, the pricing of their moves, the logistical side of packing their household goods, and shipping it abroad via Air, Sea or Road. Moreover, you will ensure they are at ease during their relocation to a new location.

You truly care for delivering 100% customer satisfaction, and will go that extra mile to ensure our clients get that VIP treatment.

In addition, you are team player who is committed to be part of a growing organization and have the required flexibility that goes with it.

Our clients undergo high levels of stress, but you remain calm under pressure and thrive in a busy atmosphere where you take pride in doing your best for our clients every day.

YOUR PRIMARY TASKS WILL BE

- Primary contact between Customer, agent and packing and move crews.
- Handling of export shipments, import shipments, local removals and cross-country removals overseas. We handle sea freight, airfreight and truck shipments all over the world.
- Customs clearance and document handling.
- Booking of freight and haulers directly with shipping lines/haulers in your role as forwarder.
- Cost efficient mindset and focus on gross margin
- Setting price-levels for our partners, accounts and individual transferees

YOUR PRIMARY SKILLS ARE

- Experience from the industry
- Fluent in English, both written and orally
- Service minded
- International mindset
- It-savvy and no fear of learning new systems
- Knowledge of the Danish language is a plus

WHAT WE OFFER

- An informal international work environment with a great mix of professionalism and strong team spirit with positive vibes
- Strong entrepreneurial spirit - a healthy appetite for innovation and development characterizes our corporate culture.
- A challenging job, where we will support you to do your best and where independence is appreciated and encouraged
- We will provide you with all the tools you need, and help you grow to be better at what we do best: Service, Logistics, shipping, project management and customer service.
- You will have a great level of responsibility and flexibility and the chance to be part of a growing organization.
- Salary after qualifications
- We offer a great health insurance and pension
